Breakdown or involved in a road traffic collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If your vehicle breaks down or is involved in a road traffic collision on a French motorway, motorway service area, or other European private motorway, you must use the roadside emergency telephones as we cannot send assistance. If the vehicle is recovered by the police or authorised motorway services, you may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will reimburse these charges as long as the vehicle is towed to the recovery company's depot. This may also apply to other roads, so we recommend you use the emergency phones where available. If they will not send a breakdown recovery vehicle, you should contact us.

2. Any benefits under any other section of this RAC Breakdown Cover.

Section D6: Replacement Driver Covered

Although this is not covered as a breakdown under this RAC Breakdown Cover, if the driver suddenly or unexpectedly falls ill during the journey in Europe, meaning they are unable to drive, we will provide a replacement driver to allow the journey to continue or return home. We will require written confirmation from the treating hospital or medical expert that the driver is unable to drive.

Not Covered

1. If there is another qualified driver who is a passenger and who is fit and legally able to drive the vehicle.
2. Any benefits under any other section of this RAC Breakdown Cover.

General conditions for Section D

1. We will not cover any call-out for any repairs to a vehicle which are not essential in order to continue the journey;

3. You must make sure the vehicle meets all relevant laws of the countries visited during a journey;
4. How the exchange rate is calculated:
 - a) Any costs incurred directly by us in a currency other than GBP will be converted to GBP at the exchange rate used by them at the time;

- b) Costs incurred by you in a currency other than GBP which are recoverable will be converted to GBP either:
 - i. at the exchange rate used by your credit or debit provider; or
 - ii. at the exchange rate used by us when your claim form is received if you paid in cash;
- 5. We will not take responsibility for repairs carried out at any garage, and the contract for such repairs will be between you and the garage / repairer.
- 6. When a hire car, taxi, hotel or similar benefit is arranged under this RAC Breakdown Cover, we will always try to find a suitable option that is available at the time, however:
 - a) we are not responsible for the quality or service of each individual hotel, train or taxi booked; and
 - b) for hire cars, whilst reputable companies are used, we are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
- 7. If, following a breakdown, the vehicle needs to be repaired, you must not delay or refuse repairs whilst you are in Europe. If you do, and in our reasonable opinion that would lead to additional costs being incurred, we reserve the right to refuse to provide cover under Section D3 (Onward travel in Europe) or Section D4 (Getting your vehicle home);
- 8. If the breakdown or is involved in a road traffic collision is caused by flooding brought about by adverse weather we will only arrange for the vehicle to be taken to a local repairer. All further service will be an additional cost paid by you, or must be referred to the vehicle's motor insurer;
- 9. In handling breakdown call-outs there may be more than one option available to you under this RAC Breakdown Cover. We will decide which is the most appropriate option based on our expertise in breakdown situations. In doing so we will act in consultation with you, and act reasonably at all times;
- 10. This RAC Breakdown Cover does not cover:
 - a) vehicle storage charges, other than under Section D4;
 - b) call-outs if you are not carrying a serviceable spare tyre provided by the manufacturer;
 - c) the hire of minibuses, motorhomes, motorcycles, caravans, trailers or vans;
 - d) overloading of a vehicle under the laws in any country in which the vehicle is travelling;
 - e) breakdowns or road traffic collisions caused by running out of oil or water, frost damage or rust or corrosion.

General Conditions

The following conditions apply to all sections of this RAC Breakdown Cover. If you do not comply we can refuse cover and/or cancel your RAC Breakdown Cover.

1. You must request services directly from us, as we will only provide cover if we make arrangements to help you.
2. Where the breakdown is caused by a component failure this must stop the vehicle from working, so for example an air-conditioning failure in itself does not constitute a breakdown, and the illumination of a warning light does not always constitute a breakdown. If it does not, you will need to take your vehicle to a place of repair and your RAC Breakdown Cover will not cover this.
3. We will not cover any claim where the vehicle is already at a garage or other place of repair.
4. Where we deem, acting reasonably, that you requested service to avoid the cost of repairing the vehicle, or to correct an attempted repair by someone else, we will not provide cover.
5. A driver must be with the vehicle when we attend.
6. You are responsible at all times for the care of your personal belongings, valuables, luggage and goods in or on a vehicle. We will not be responsible for any loss of or damage to them.
7. Where we recover passengers under the age of 16, they must be accompanied by an adult.
8. We will not allow animals in our vehicles, except guide dogs. Any animals can remain in the vehicle at the driver's own risk. We will not be liable for any injury to animals, or damage caused by them. We will not transport any livestock. We will not be responsible for any costs relating to animals.
9. The vehicle must not carry more passengers than the number stated in the vehicle's registration document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
10. Where we provide a repair to the vehicle, whilst we are responsible for that repair, this does not mean that we are confirming the legal and roadworthy condition of the vehicle. This remains your responsibility.

11. We will not be responsible for any losses that may incur following a breakdown that are not expressly covered by this RAC Breakdown Cover. For example, we will not pay for any loss of earnings or missed appointments.
12. We do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst we will try to check that the garage will undertake the type of repairs required, we cannot guarantee this. We will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between you and the garage / repairer.
13. During extreme weather, riots, war, civil unrest, industrial disputes, our services can be interrupted. We will resume our service to you as soon as we can in these circumstances.
14. The cost of the following is not covered by this RAC Breakdown Cover:
 - a) specialist equipment;
 - b) tolls, ferries or congestion charges for the vehicle and our vehicle;
 - c) any damage to glass even if the damage means the vehicle cannot be legally or safely driven. We will arrange transport to a local garage so you can arrange to get the vehicle fixed but you will have to pay for this;
 - d) spare tyres and wheels and repairing or sourcing them; or
 - e) recovery by someone other than RAC even if this is requested by the emergency services.
 - f) we will only provide recovery once instructed to do so by the emergency services.
15. In handling any claim there may be more than one option available to the driver under this RAC Breakdown Cover. We will decide which is the most appropriate option based on our expertise in breakdown situations. In doing so we will act in consultation with the driver, and act reasonably at all times.
16. The vehicle must be privately owned and only used for private use, including use for social, domestic and pleasure purposes and commuting to and from a permanent place of work.
17. This RAC Breakdown Cover does not cover:
 - a) routine servicing, maintenance or assembly of the vehicle;
 - b) caravan or trailers, except as described under Section A;
 - c) use of your vehicle for business, including for example demonstrating, carrying trade plates, commercial travelling and use for hire and reward;
 - d) breakdowns resulting from activities that are not subject to the normal rules of the road or which take place off the public highway for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events. Vehicles participating in any event which take place on and comply with the normal rules of the public highway (such as a treasure hunt, touring assembly or navigational road rally), will be covered;
 - e) breakdowns that occur off the public highway to which the driver or we have no legal access;
 - f) the vehicle if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;

Additional Benefits

The following are provided at no additional charge:

Service in the Republic of Ireland

If the vehicle has broken down in the Republic of Ireland, we will provide a Roadside attendance service only, as described under Section A (Roadside). If your home address is in Northern Ireland and you have purchased Section B (Recovery), we will recover the vehicle to your home, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the vehicle has broken down and the driver needs to get in touch with friends and family urgently, we will get a message to them.

Replacement driver

If the driver becomes ill during a journey in the UK and no one within the party can drive the vehicle, we may be able to provide a replacement driver. This service is discretionary, and we will decide whether or not to provide this service.

Technical and Maintenance Support

If you have any questions or require any support or advice on any technical or maintenance, from original battery specifications through to torque and wheel geometry specifications our helpline is available to you.

You can contact us Monday to Friday, 8am to 8pm (excluding Christmas Day) on 0330 159 1482.

Additional services

We can provide additional services that are not included in your RAC Breakdown Cover but we will charge you for these, for example to:

1. Purchase the parts you need to get on your way;
2. Pay for specialist equipment to complete the repairs;
3. Extend the hire time for a replacement car;
4. Arrange a second or extended recovery; or

3. Refuse to provide any services to you under this RAC Breakdown Cover with immediate effect;
